

Ice Blue Media Coaching Package

Life and Business coaching - for those sick of struggling away by themselves and looking to play a much bigger and more meaningful game in their life, careers and business.

Coaching is all about helping you get very clear on what you most want, creating a great plan, and supporting you to make all the important changes needed to achieve the outcome you desire. As a professional service, coaching consistently delivers a high return on investment and can be a powerful partner in helping you achieve far greater levels of success, happiness and fulfillment.

Ice Blue Media's coaching service is special, because as well as being certified coaches, we are all creative industry practitioners - we know the industry and can relate our advice to just what you need. While other coaches may be generic, we know the TV business inside out - and this will get you the results you need fast!

- **Online advice package for up to 3 months £200 (+Vat)** - help is just a click away. Once a week email support to get your business on track.
- **Dragons Den Event £150 (+Vat)** - regular events run to test out your business plans on our team of experts and investors.
- **Get Going Programme: £170 (+Vat)** - for a one-off investment of £170 you will receive two scheduled hour-long sessions within a three week period. This is great for those of you who are unsure how this could work for you in the long term or you may have a specific challenge or project that is small enough to be actioned quickly.
- **Get Started Programme: £125 a month (+Vat)** - this is a six month programme where we schedule one hour-long session every month, supported by emails in between meets. Ideal for those who are thinking of setting up a business, or who have just set up, taking you through the crucial early stages.
- **Get Results Programme: £230 a month (+Vat)** - this is a three month programme with two hour-long sessions each month, with email support. Your monthly investment will be £230 and this can include weekly or fortnightly action sheets, depending on your agenda. This is ideal for those of you who have a business to grow, need to see business revenue happening quickly and who are truly committed to following through on their business vision
- **Individual packages** also available, so get in contact and let us help you move on to the next level.
